

### **How to get there from the Freiburg central train station:**

From the central train station it is about a 10 minute walk to the institute. Exit the main entrance of the train station and immediately turn left, following the Bismarkallee. Cross the main intersection and continue along the road for about 300 m, then turn right into the Albertstraße. Follow the Albertstraße for 150 m until you reach the intersection with the Hebelstraße. Turn left, passing two “boom barriers” and a small parking lot. The Institute of Geosciences is the first building on the left hand side after the parking lot. (If you get lost and have to ask people for the way, ask for the “Mensa”, or cafeteria, which is adjacent to the institute).

### **How to get there by car:**

Take Autobahn exit 62, “Freiburg-Mitte” and head towards Freiburg/Donaueschingen/ Titisee-Neustadt. Follow the signs to “Stadtmitte/Bahnhof”. Pass the central train station and follow the directions above.
